Product Overview

The Excel adjustable cabinet shelves are fixed to the front and rear 19" profiles for shelf that will support a maximum of 80kg when closed and up to 60kg when fully open. This adjustment allows the 19" profiles to be positioned to suit the installation and fitted equipment. The Excel adjustable shelves are available in two sizes 385 - 605mm and 530 - 920mm each in either grey or black colour. The shelves occupy 1U of profile space and are fitted using standard M6 cage nuts and screws.
