Features

- Smooth Sliding Action
- 60 kg Load Capacity
- Compatible with all Excel Floor Standing Cabinets
- 19" Rack Mount
- Choice of Depths
- Available in Black and Grey

Product Overview

The Excel Sliding Cabinet Shelves offer an accessible method of supporting equipment in the Excel Floor, Equipment and Server+ Cabinets. The sliding shelves are popular for equipment that require easy access to the sides and the rear. Available in grey and black versions to match the cabinets. The smooth runner design fixed in with standard cage nuts and screws offer a load capacity of 60 kg in different depths. The shelves are slotted to facilitate the additions of fixings such as cable ties etc.
