✕ Supplied with Fixings

Features

- Compatible with - Excel Server+ Cabinets
- Ensures alignment of cabinets
- Available in Black
- Supplied with Fixings

Product Overview

The Excel Server⁺ Cabinet Baying Kits permit adjacent cabinets to be fixed together. The Baying Kit is compatible with all Excel Server+ Cabinets. With the side panels removed the plates are fitted on the inside at the base and inside at the top with the supplied fixings to ensure the two cabinets are secured together. The baying kit is simple to fit and available Black to suit the Excel Server⁺ Cabinet.
